### We updated the way we post certain transactions to your account

Knowing the order in which we apply deposits and withdrawals can help you better manage your account and help you avoid possible fees and overdrafts.

#### What's staying the same:

We will continue to add deposits to your account first before subtracting withdrawals. Any fees are assessed last.

#### What's changing:

During our nightly processing, we now subtract the following withdrawals from your account based on the date and time of when the transaction was authorized or shows as pending, instead of subtracting from highest to lowest dollar order:

- Automatic payments from your account, also can be referred to as ACH payments
- Checks drawn on your account, and
- Recurring debit card transactions (e.g. movie subscriptions or gym memberships)

This is how we already subtract everyday debit card transactions (e.g. groceries, gasoline or dining out), online banking transactions and ATM withdrawals.

For more information, please see the Posting Order section in the Deposit Account Agreement at [chase.com/disclosures](https://chase.com/disclosures). For information about overdrafts and our overdraft services, please visit [chase.com/overdraft](https://chase.com/overdraft).

If you have questions, please call us at the number on your statement. We accept operator relay calls.

### Our courtesy practice related to refunds

We may have provided you with a discretionary fee refund at your request or on our own in the past. Please keep in mind that while we did this as a courtesy, we are not required to process similar requests in the future.

## Overdraft and Overdraft Fee Information for Your Chase Checking Account

### What You Need to Know About Overdrafts and Overdraft Fees

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize or pay any type of transaction. If we do not authorize and pay an overdraft, your transaction will be declined or returned. We can cover your overdrafts in three different ways:

1. We have Standard Overdraft Practices that come with your account.
2. We offer Overdraft Protection through a link to a Chase savings account, which may be less expensive than our Standard Overdraft Practices. You can contact us to learn more.
3. We also offer Chase Debit Card Coverage, which allows you to choose how we treat your everyday debit card transactions, in addition to our Standard Overdraft Practices.

This notice explains our Standard Overdraft Practice and Chase Debit Card Coverage.

- **What are the Standard Overdraft Practices that come with my account?**  
We do authorize and pay overdrafts for the following types of transactions:
  - Checks and other transactions made using your checking account number
  - Recurring debit card transactions
- **What is Chase Debit Card Coverage?**  
We will only authorize and pay overdrafts in addition to our Standard Overdraft Practice for the following types of transactions if you specifically ask us to:
  - Everyday debit card transactions
- **What fees will I be charged if Chase pays my overdraft?**  
If we pay an item, we'll charge you a \$34 Insufficient Funds Fee per item. If we return the item, we'll charge you a \$34 Returned Item Fee.
  - We won't charge more than three Insufficient Funds or Returned Item fees per day, for a total of \$102.
  - We won't charge an Insufficient Funds Fee if your account balance at the end of the business day is overdrawn by \$5 or less, and we won't charge Insufficient Funds or Returned Item fees for item(s) that are \$5 or less.
  - For Chase Sapphire<sup>SM</sup> Checking and Chase Private Client Checking<sup>SM</sup> accounts, we waive the Insufficient Funds and Returned Item fees if item(s) are presented or withdrawal request(s) are made against an account with insufficient funds on four or fewer business days during the current and prior 12 statement periods.
- **What if I want Chase to authorize and pay overdrafts on my everyday debit card transactions?**  
If you or a joint account owner would like to change your selection, sign in to chase.com to update your account settings, or call us at 1-800-935-9935 (or collect at 1-713-262-1679 if outside the U.S.), or visit a Chase branch. We accept operator relay calls.
